

## Avaya Awarded 2013 Unified Communications TMC Labs Innovation Award

### Avaya IP Office Server Edition Recognized for Exceptional Innovation

The TMC Labs Innovation Award honors products that have demonstrated innovation, unique features, and noteworthy developments toward improving communications technology. The TMC Labs Innovation Award is not granted to the best-selling products, but instead to those representing a significant contribution to the industry.

IP Office Server Edition is the ideal solution for midsize businesses, delivering intelligent Unified Communications, scalable growth and seamless management. Server Edition enables businesses to quickly and easily add users to an existing office or even connect a remote office, all from the central HQ. A Linux server is the heart of Server Edition, running IP Office software, Voice Messaging, Call Recording, and Unified Communications (Avaya one-X® Portal for IP Office). Server Edition delivers true Centralized Management and Licensing for all users, across all locations, in one, intuitive, Graphical User Interface.

#### Benefits:

- **Cost effective growth** - whether it's adding a user or a location, Server Edition easily grows with any expanding company.
- **Low TCO** - day to day administration of users, groups and call routing across the entire network is easy from the centralized, Graphical User Interface, speeding Moves, Adds and Changes (MAC's).
- **Non-stop communications** - the failover capabilities of Server Edition for both real time and voice messaging helps assure that businesses don't miss a beat.
